c. A distinct pause or stop in the performance.
d. Interference with the function of the judges (such as the judge having to move for safety reasons or making physical contact with a judge).
e. Belt falling off during the performance.

b. Scoring
   - The scores are as follows:
     YUKO : One point

     - Awareness (ZANSHIN)
     - Good timing

   - WAZA-ARI is awarded for Chudan Kicks.
   - IPPON is awarded for Jodan kicks and any scoring technique delivered on a thrown or fallen opponent.
   - Attacks are limited to the following areas:
c. Criteria for Decision

The result of a bout is determined by a contestant obtaining a clear lead of eight points, or at time-up, having the highest number of points, first unopposed point advantage (SENSHU), obtaining a decision (HANTEI), or by a HANSOKU, SHIKKAKU, or KIKEN, imposed against a contestant.

No individual bout can be declared a tie. Only in team competition, when a bout ends with equal scores, or no scores, and neither contestant has obtained SENSHU, will the Referee announce a tie (HIKIWAKE).

In any bout, if after full time the scores are equal, but one contestant has obtained ‘first unopposed score advantage’ (SENSHU), that contestant will be declared the winner. In any individual bout, where no score has been obtained by either competitor, or the score is equal without any competitor has obtained ‘first unopposed score’ advantage’, the decision will be made by a final vote of the four Judges and the Referee, each casting their vote. A decision in favour of one or the other competitor is obligatory and is taken on the basis of the following criteria:

1. The attitude, fighting spirit, and strength demonstrated by the contestants.
2. The superiority of tactics and techniques displayed.
3. Which of the contestants has initiated the majority of the actions.

Should a competitor that has been awarded SENSHU receives Category 2 warning for avoiding combat for the following incidents: Jogai, running away, clinching, grabbing, wrestling, pushing or standing chest to chest when there is less than 15 seconds left of the bout – the competitor will automatically forfeit this advantage. The Referee will then first show the sign for the applicable warning followed by the sign for SENSHU and finally the sign of annulment (TORIMASEN) to solicit the support of the judges. Once the Referee is supported by minimum two flags he/she will
repeat the signals accompanied with the verbal command for each of the signs.
If SENSHU is withdrawn when it is less than 15 seconds left of the bout, no further SENSHU can be awarded to either competitor.

In cases where SENSHU has been awarded, but a successful video protest determines that also the other opponent scored, and that a score in fact is not unopposed, the same procedure is used for nullification of SENSHU.
In instances where both AKA and AO are disqualified in the same bout by Hansoku, the opponents scheduled for the next round will win by bye (and no result is announced), unless the double disqualification applies to a medal bout, in which case the winner will be declared by Hantei.

d. Prohibited Behavior

There are two categories of prohibited behavior, Category 1 and Category 2.

CATEGORY 1
1. Techniques which make excessive contact, having regard to the scoring area attacked, and techniques which make contact with the throat.
2. Attacks to the arms or legs, groin, joints, or instep.
3. Attacks to the face with open hand techniques.
4. Dangerous or forbidden throwing techniques.

CATEGORY 2
1. Feigning, or exaggerating injury.
2. Exit from the competition area (JOGAI) not caused by the opponent.
3. Self-endangerment by indulging in behavior, which exposes the contestant to Injury by the opponent, or failing to take adequate measures for self-protection, (MUBOBI).
4. Avoiding combat as a means of preventing the opponent having the opportunity to score.
5. Passivity – not attempting to engage in combat. (Cannot be given after less than the last 15 seconds of the match.)
6. Clinching, wrestling, pushing, or standing chest to chest without attempting a scoring technique or takedown.
7. Grabbing the opponent with both hands for any other reasons than executing a takedown upon catching the opponents kicking leg.
8. Grabbing the opponents arm or karate-GI with one hand without immediately attempting a scoring technique or takedown.
9. Techniques, which by their nature, cannot be controlled for the safety of the opponent and dangerous and uncontrolled attacks.
10. Simulated attacks with the head, knees, or elbows.
11. Talking to, or goading the opponent, failing to obey the orders of the Referee, discourteous behavior towards the Refereeing officials, or other breaches of etiquette

e. Warning and Penalties

CHUKOKU: CHUKOKU is imposed for the first instance of a minor infraction for the applicable category.

KEIKOKU: KEIKOKU is imposed for the second instance of a minor infraction for that category, or for infractions not sufficiently serious to merit HANSOKU-CHUI.

HANSOKU-CHUI: This is a warning of disqualification usually imposed for infractions for which a KEIKOKU has previously been given in that bout although it may be imposed directly for serious infringements, which do not merit HANSOKU.

HANSOKU: This is the penalty of disqualification following a very serious infraction or when a HANSOKU CHUI has already been given. In team matches the fouled competitor’s score will be set at eight points and the offender’s score will be zeroed.

SHIKKAKU: This is a disqualification from the entire tournament including any subsequent category the offender may have been registered for. SHIKKAKU may be invoked when a contestant fails to obey the orders of the Referee, acts maliciously, or commits an act which harms the prestige and honour of Karate, or when other actions are considered to violate the rules and spirit of the tournament. In team matches the fouled competitor’s score will be set at eight points and the offender’s score will be zeroed.
f. **Injuries & Accident in competition**

KIKEN or forfeiture is the decision given, when a contestant or contestants fail to present themselves when called, are unable to continue, abandon the bout, or are withdrawn on the order of the Referee. The grounds for abandonment may include injury not ascribable to the opponent’s actions. Forfeiture by KIKEN means that the contestants are disqualified from that category, although it does not affect participation in another category.

If two contestants injure each other, or are suffering from the effects of previously incurred injury, and are declared by the Tournament Doctor to be unable to continue, the bout is awarded to the contestant who has amassed the most points. In Individual Bouts if the points score is equal, then a vote (HANTEI) will decide the outcome of the bout, unless one of the contestants has SENSHU.

An injured contestant who has been declared unfit to fight by the tournament doctor cannot fight again in that competition.

An injured contestant who wins a bout through disqualification due to injury is not allowed to fight again in the competition without permission from the tournament doctor.

When a contestant is injured, the Referee shall at once halt the bout and call the doctor. The doctor is authorized to diagnose and treat injury only.

A competitor who is injured during a bout in progress and requires medical treatment will be allowed three minutes in which to receive it. If treatment is not completed within the time allowed, the Referee will decide if the competitor shall be declared unfit to fight, or whether an extension of treatment time shall be given.
Any competitor who falls, is thrown, or knocked down, and does not fully regain his or her feet within ten seconds, is considered unfit to continue fighting and will be automatically withdrawn from all Kumite events in that tournament. In the event that a competitor falls, is thrown, or knocked down and does not regain his or her feet immediately, the Referee will call the doctor, and at the same time start a verbal count to ten in the English language indicating his count showing a finger for each second. In all cases where the 10 second count has been started the doctor will be asked to examine the contestant before the bout can resume. For incidents falling under this 10 second rule, the contestant may be examined on the mat.
