Beach Modern Pentathlon
4th ASIAN BEACH GAMES

PHUKET 2014
Thailand
Message from the Secretary-General

On behalf of the Phuket Asian Beach Games Organizing Committee (PABGOC), it is an honor for me to welcome you to the 4th Asian Beach Games to be held from November 14 to 23, 2014, in Phuket, Thailand.

Each edition is a testament that the Olympic Council of Asia, together with the Host Cities, have planned and worked hard to make the Asian Beach Games what it is right now – an exemplary Games platform across continents that mixes the elements of fun and intense competition. The fourth edition is bigger and better – a total of 32 disciplines in 23 Sports – which raises the bar for more individuals, teams and delegates to take part in the Asian Beach Games.

PABGOC is more than eager to welcome all participants to the pristine beaches of Phuket. The event definitely promises a perfect setting for the high-level of competition with a magnificent view of the island as the main backdrop.

Our Sports Technical Committee has prepared this Technical Handbook to set the guidelines and regulations pertaining to the sports competition program for the 4th Asian Beach Games. This handbook will serve as a guide to all participants of the fourth edition of the Asian Beach Games that covers the pertinent information about the Games and the technical aspect for each sport.

We wish everyone a productive endeavor in preparation for the 4th Asian Beach Games.

Quick Facts about Phuket

Introduction to Phuket

Phuket is an island connected by bridges to southern Thailand's Andaman Sea coast, in the Indian Ocean, lying between 7°45" and 8°15" north latitude, and from 98°15" to 98°40" west longitude on the map. Phuket, Thailand's largest islands, is surrounded by 32 smaller islands that form part of the same administration, with a total area of 570 square kilometers. Measured at its widest point, Phuket is 21.3 kilometers; at its longest, 48.7 kilometers.

Phuket's weather conditions are dominated by monsoon winds that blow year round. It is therefore always warm and humid. There are two distinct seasons, rainy and dry. The rainy season begins in May and lasts till October, during which the monsoon blows from the southwest. The dry season is from November through April, when the monsoon comes from the northeast.

Transportation / Getting Here

Phuket Airport is now an international airport, so Phuket can be reached directly from points all over the world.

Bangkok Airways and Phuket Air have daily flights connecting Phuket with Bangkok, Pattaya and Samui. Thai Airways has numerous daily flights servicing the Bangkok-Phuket route. In addition, they have regular flights connecting Phuket with Hat Yai, Surat Thani, and Narathiwat.

From Bangkok the total distance is about 867 kms. Bus transport includes both air and non-air conditioned coaches leaving from Bangkok's Southern Bus Terminal several times a day.

Recreation

Phuket offers an unrivalled selection of water sports, including deep-sea fishing, snorkeling and scuba diving. The area has become one of Asia's premier yachting destinations with yachts from every continent represented in Phuket's marinas.

There are four world-class golf courses on the island. Other activities include mountain biking, go carting, bungee jumping, horseback riding and shooting.

Spend a morning indulging in your favorite water sport, and then spend your afternoon on an elephant safari. Lie by the beach all day, or visit a spa and get thoroughly pampered. Choose to do nothing or everything - the opportunities are endless.

Attractions

Phuket is incredibly diverse, with rocky and sandy beaches, tall cliffs, forests, waterfalls and temples.

Of course, Phuket's limestone cliffs and palm-fringed tropical beaches are its biggest attractions. Each of Phuket's many beaches has a character and charm of its own and is separated from its neighbors by picturesque headlands. From busy fun beaches, to secluded coves of fine white sand, there is bound to be at least one to suit the mood and mindset of every visitor to the island.

Visitors to Phuket Province generally head for the sea, but the interior is worth exploring for its vivid patchwork of plantations and rice paddies. Take a trek into the island’s jungles on an elephant's back or hike through the virgin forests of Khao Phra Thaew, the last remaining rain forest of the island.
Nightlife Shopping & Dining

Phuket offers so much for everyone. Walk through some bustling open-air markets laden with the freshest seafood, fruits, vegetables, and sample from vendors selling all manner of tasty treats. Visit some of Phuket's up market boutiques and antique stores situated in renovated Chinese shop houses, or Sino-Portuguese buildings.

Not only do most of the major hotels and resorts offer a wide selection of quality international restaurants and bars, featuring cabaret shows and live music, but every tourist centre has numerous other entertainment venues. Patong is undoubtedly the epicenter of the island's entertainment scene, boasting a wealth of bars, clubs, live music, and cabaret shows, yet there is still plenty to discover around the island, with Kata/Karon and Phuket town offering such a diverse range of clubs and nightspots that it's difficult to know where to start.

Weather and Climate of Phuket

Phuket has a tropical climate, more specifically a tropical monsoon climate, with a dry season from November to April and a rainy season from May to October. Average temperatures are consistent year-round. Average highs range from 29 °C (84 °F) to 33 °C (91 °F); average lows range from 23 °C (73 °F) to 26 °C (79 °F).

The emblem of the 4th Asian Beach Games was driven by Phuket’s very own beauty and by one of Phuket’s most mesmerizing sceneries of Laem Promthep with such beauty that Phuket possesses, Phuket is also widely recognized as the Peal of the Andaman and the Southern Paradise” where athletes, spectators and tourists could enjoy watching the ongoing game while at the same time allowing themselves to serenely sink into the spell-binding beauty of Phuket beaches and sceneries. The two palm trees standing side by side represents the coming together of athletes and of all participants from different nations and races, to unite and to participate together in the 4th Asian Beach Games.

As for the middle, the Asian Beach Games is the center of this beautiful bonding between the races in which the athletes represents. The ocean waves tinted in the color of the Thai flag symbolizes the qualities in which Thailand possesses; the Thai flag swirling could be understood as a representation of the determination of the athletes in participating in the competition.

“Sea turtle” is a symbol of endurance fertility, sustainability and growth. As Phuket is a home to many rare species of sea turtle, it is a chance to announce to the participants of the 4th Asian Beach Games and also to the public that Thailand pays great attention and an important role to the conservation of sea turtle.

As sea turtle are amphibious creatures, living both on land and in the sea, the 4th Asian Beach Games will have both beach sports and water sports which at the same time is an excellent symbol of the relationships of the different countries in Asia.

The name Sintu (สินธุ์), Sakorn (สาคร), Samut (สมุทร) shares the same meaning of water. Could be metaphorically be compared to the qualities of athletes which includes the qualities such as tolerance, tranquility, unity, acceptance, sportsmanship and friendship.

8.2 Beach Modern Pentathlon is covered by the UIPM Rules, especially the UIPM Competition, Medical and Advertising and Media Rules, as far as not specified differently in the following.

9. Competition Rules

Technical Organization
The Beach Modern Triathle competition of the 4th Asian Beach Games will be held in accordance with the Union International de Pentathlon Moderne (UIPM) Competition Rules and Regulations, in force during the Games time. In case of any disagreement in the language interpretation of the rules and regulation, the English version shall prevail.

9.1 General Training sessions for running and swimming shall be organized at the competition venue. For shooting, open training sessions shall be organized during the day preceding the competition at the competition range and a shooting warm up has to be allowed for 15’ before the start of each competition as well.
9.2 The competition begins with a pack start, in which all competitors gather at the starting line. The firing of a start gun or a whistle commences the race. In case of a false start, a second start will be given. In case of a second false start, the respective athlete’s start number will be called and the athlete will be penalized with 10 seconds on the starting line.

9.3 The competitors must stay inside the competition lane during the race. Competitors leaving the competition lane will be disqualified.

9.4 The athletes start in a line up to 25m from the shooting position. The shooting position is on a hard surface, athletes start the competition with shoes and the Transition Area must be placed before the swimming segment.

9.5 Transitioning back on to the running leg the athletes are not allowed to throw any of their personal items (including goggles, water bottles and cap) along the course and not even handing them over to any spectator, coach or official. Any violation will be sanctioned with a 10” penalty.

9.6 At the shooting range, athletes must complete successfully 5 green lights before continuing to the next segment (the swimming). If after 50” the athlete has not completed 5 green lights, they can continue to swimming.

9.7 Athletes are not allowed to stop shooting until the end of their 50” or before reaching the 5 green lights otherwise they will incur in 10” penalty to be given at the shooting range itself before proceeding to the next leg.

9.8 Then athletes dive into the water and swim free style the required swimming distance before exiting the water, putting back their shoes to start the running segment.

9.9 After finishing the running leg, athletes return to their dedicated shooting position for the next shooting series. After the last lap they will cross the finish line in Individual events or changeover zone in Relay. The last team member in the Relay crosses the finish line.

10. Technical Officials

The officials that will attend the Event are:

Technical Delegate who will ensure that all aspects of the UIPM Competition Rules and Operation Manuals are fulfilled.
