Figure Skating sport technical handbook
Kazakhstan in Brief

Area: 2,724,900 km²

Population: 16,196,800

Administrative Divisions: The Republic is composed of 14 regions and three cities of republican subordination.

Currency: Kazakh tenge (100 tiyn).

Geographical Location: Kazakhstan is a state in Central Asia. In the south-west it is washed by the Caspian Sea. It borders with Russia, China, Kyrgyzstan, Uzbekistan and Turkmenistan. In the West - a part of the Caspian, and Turan lowlands, in the central part - Kazakh hills, in the north - the southern edge of the West Siberian Plain, in the East and South-East - Mountains of Altai, Tarbagatay, Jungar Alat, Tien-Shan.

Climate: The climate is continental. The average temperatures in January are from -18 C in the north to -3 C in the south, in July +19C in the north and +30C in the South. Annual precipitation in the north is from 300 mm in the desert and less than 100 mm in the mountains up to 1,600 mm.

The state language is Kazakh. In state institutions and local self-administrative bodies the Russian language is officially used on equal grounds along with the Kazakh language.

Public Holidays:
01–02 January — New Year’s days
07 January — Eastern Orthodox Christmas
08 March — International Women’s Day
21–23 March — Feast of Nauryz
01 May — Kazakhstan People’s Unity Day
09 May — Victory Day
06 July — Capital City Day
30 August — Constitution Day
16 November (2010) — Kurban Ait
16–17 December — Independence Day

Useful Information:
Time Zone: GMT+6
Voltage: 220 V (50 Hz)
Banking: the following foreign credit cards can be used in Kazakhstan: Master Card, Visa Card, American Express Card etc.
Host Cities in Brief

ASTANA
1832 — Date of foundation. Before 1961 — City of Akmolinsk
1961–1992 — City of Tselinograd
1993–1998 — City of Akmola
By the edict of the President of the Republic of Kazakhstan the city of Akmola is declared Capital of the Republic of Kazakhstan on October 20th, 1997 and by the decree of the President of the Republic of Kazakhstan Akmola is renamed into the Astana on May 6th, 1998.
Geographical position: 51° 10’ 00” of North latitude and 71° 25’ 00” of East longitude.
Local time: Astana is in Time Zone 5. Local time in relation to the Prime Meridian is GMT +06.00
The climate of Astana is the second coldest capital in the world (after Ulaanbaatar, Mongolia), with temperatures of -35 to -40 °C common in early winter. The city is also known for regular frosts for around six months every year.
Nowadays Astana is getting the image of a business center of the country. All government organizations, embassies of foreign countries, joint enterprises and foreign firms are concentrated in the new capital. Each year the city meets guests on various international industrial exhibitions, conferences and music festivals.

ALMATY
1854 — Date of foundation
1854–1921 — City of Vernyi
1921–1997 — Alma-Ata (capital of Kazakhstan)
Almaty is a former capital of the Republic of Kazakhstan and invariably remains the largest megalopolis in the country. Since independence in 1991, the city has experienced a significant transformation from its sudden exposure to western markets.
It is located in the south-east of the country.
Geographical position: 43°15’ 00” of North latitude and 76° 54’ 00” East longitude.
Local time: Almaty is in Time Zone 5. Local time in relation to the Prime Meridian is GMT +06.00
Population: 1,405,456 people.
The climate of Almaty is quite mild. It is never as cold here as in the northern parts of the country and one can easily survive without a fur hat and a fur coat. However, because of higher humidity it may seem a little colder in winter than it is in fact.
Almaty remains the largest financial, economic and cultural center of Central Asia. It accommodates numerous business centers, theaters, museums, art galleries, exhibition halls and countless modern entertainment complexes (movie theaters, nightclubs, parks, restaurants, cafes etc.)
The 7th Asian Winter Games in Brief

Dates: January 30 — February 6, 2011

Place: Astana-Almaty, Kazakhstan

Sport Programme: 5 Sports, 11 Disciplines, 69 Events

Venues: 9 Competition Venues

Objectives: According the Olympic and Asian Games spirit, the aim of these Games is to support solidarity, friendship and interchange between Asian countries and regions and to enhance creation of a harmonious Asia.

Motto: Unity of purpose — unity of spirit!
Мақсаты әрі — рухы бір!

Logo: The design of the logo goes back to the image of a nomadic bullock cart. In heraldic art the wheel serves as a symbol of eternal movement, both in space and in time. Reflecting the idea of constant development, the logo becomes an emblem of life and represents creative dynamism. The symbolism of the wheel is close to that of the circle and according to ancient beliefs it expresses the idea of the god of the Sun going around the Earth. Thus, the logo is a solar sign and represents the radiant power of a star that grants life and prosperity.

**Asian Games Official Closing Ceremony:** February 6, 2011, Baluan Sholak Sport Palace, Almaty
Games Services

Accreditation
All application forms for identification (ID) and accreditation cards (AD) will be available for on-line completion at the official web-site of the Games, www.astana-almaty2011.com, beginning June 1st, 2010. The deadline for completing or making changes to the application forms is October 30th, 2010. Following the completion, the identification cards must be signed and stamped with the NOC of the respective country, which will ensure the right to enter and exit Kazakhstan with a valid passport from January 1st, 2011 to February 21st, 2011. The accreditation cards will be issued to delegates by accreditation centers once they arrive in Kazakhstan.

Transportation

Arrival to Airport
Transportation services will be provided at the international airports of Astana and Almaty. Designated vehicles will be available at the airport for transportation of arriving delegations to their hotels.

Transit Airport
Almaty international airport will serve as a transit-airport, where representatives of AWAGOC will assist participants to transfer to the flight to Astana.

Participants Transportation
It is planned to transport participants between the cities by air. However, the number of flights will differ depending on participants’ status. Local transportation of participants will be carried out using 30-seat buses which will be provided to the teams. Buses will be available at special bus-stops (parking lots), designed as part of the transport connection between the official hotels and competition/training venues, and will operate for 1-2 hours before and after competitions and trainings.

Transportation Service for Trainings and Competition
Transportation service will be provided to participants traveling between the competition venues and hotels. Any large and heavy luggage will be transported by designated vehicles.
**Competition Equipment and Luggage Transportation**

The Organizing Committee will help Games participants with transportation of competition equipment and luggage once they enter Kazakhstan. Games participants and their assistants are required to check their belongings, and attend the handling of their luggage together with AWAGOC representatives. The Organizing Committee will provide each team with Games luggage tags.

**Accommodation & Fees**

Athletes and officials of Figure Skating competition will stay at the 4-star «King» Hotel in Astana.

*Accommodation fee for athletes and officials in quota:*

50 $ USD per person per day

*Accommodation fee for extra officials:*

100 $ USD per person per day

*Early registration and early arrivals:*

100 $ USD per person per day

**Catering**

The main Games catering places for officials and athletes will be located at accommodation places. It is planned to have 3 buffet-type meals a day to reflect different tastes and religious preferences and to feature national cuisines from all countries of Asia including the host country. Taking into account the climatic conditions of the host cities and the varying distances to be traveled to the sports venues, appropriate and category-specific catering will be organized on sports venues as well. This measure is designed to provide hot meals to the athletes, coaches, staff and official guests of the Games away from the host city sports facilities. Food will be provided according to the relevant symbol on the accreditation cards of Games participants.
Figure Skating Technical Information

Date and Competition Venues
Figure Skating competitions will be held at the Indoor National Indoor Cycle Arena from February 3rd to 5th, 2011.

Sport Competition Schedule
Men: Short Program, Free Program
Women: Short Program, Free Program
Pairs: Short Program, Free Program
Ice dance: Compulsory Dances (2 dances), Original Dance, Free dance

Note: the competition schedule is subject to change according to the final entries.

Trainings Schedule
All competition venues will be available for training beginning January 15th, 2011. AWAGOC will develop a training schedule for each sport according to the arrival information for each team and teams’ training requests. A reasonable fee will be charged for using the venue. Free training for Figure Skating competitions will be provided beginning January 31st, 2011.

Competition Rules
The current rules of ISU will be adopted for the Figure Skating competition. Any issues that are not covered by the rules will be dealt with in accordance with the relevant regulations of the OCA and ISU.
**Qualification**
All members of National Olympic Committees and Olympic Council of Asia whose national/regional associations are members of ISU can join the competition.
Participation of athletes must be in conformity with the qualification requirements of the OCA Constitution and Rules.

**Entry by Number**

<table>

</tbody>
</table>

**Application Form**
First form: Entry form by number
**Deadline:** October 30, 2010
Second form: Entry form by name
**Deadline:** December 30, 2010

**Organization of Competitions**
Under the supervision and instructions of the OCA and ISU, the technical delegates and technical officials will work with the Competition Commission of AWAGOC, a body responsible for organizing the Figure Skating competition.

**Technical Delegates and Referees**
ISU with OCA’s approval will appoint technical officials, technical delegates, arbiters and referees. Other referees and competition officials will be designated by AWAGOC.

**Timing**
Electronic timing system will be customized to the competitions and it shall be operated in accordance with the regulations of ISU.
**Draw**
All the draws related to competitions will be conducted in conformity with the ISU regulation and under strict supervision.

**Protest**
All protests and appeals concerning technical aspects of the competitions will be conducted according to the ISU regulations.

**Awards**
The awards to be presented to athletes who rank among the first six places are as follows:
First place: gold-filled silver medal and certificate.
Second place: silver medal and certificate.
Third place: bronze medal and certificate.
Forth to sixth: certificate.

**Doping Control**
Doping test will be conducted under the guidance of the OCA Medical Committee and in accordance with the World Anti-Doping Code and international doping test standards. The Almaty Athletes’ Anti-Doping Laboratory, which was recognized by IOC and WADA, will serve as the test lab for the Games. Test results will be issued within 72 hours. National Indoor Cycle Arena will be the site of sample collection for athletes joining Figure Skating competitions. The number of athletes to be tested and the principles of selection will be determined by the OCA Medical Committee. In the event of any positive test result, the Chairman of OCA Medical Committee will report to the OCA and take appropriate actions on the case.

**National Indoor Cycle Arena in Brief**
The Indoor Cycle Arena is located on the left bank of the Ishim River in Astana next to the Indoor Football Stadium. This facility is ellipsis-shaped, its size 105m*135 m. The Arena has access roads in the north and west parts that connect it to the new arterial roads. The entrances to the building are located at the four corners. The stands are accessed through the lobby; there are also separate entrances for VIP visitors and media. The Arena has a parking lot near each entrance.
The facility's holding capacity is 8,000 seats. The Complex can be used not only for sport competitions, but also for concerts, conferences, etc. It has a swimming pool, changing rooms, and a fitness room on the underground floor. On the ground floor, there is a conference hall, a restaurant, and a bookstore.
The best seats at the stands level are those reserved for cameramen and media. Opposite these is a VIP box place with auxiliary rooms.

The technical fit-out of the complex during the competitions provides for: a room to hold photo-finish equipment and a room for delegates to overlook the entire arena; two large screens for reviewing any unclear episodes of the competitions. A temporary ice-court and a training rink will be installed at the Cycling Track for the duration of the Games. This complex will be used for conducting competitions in Short Track Speed Skating and Figure Skating.
